### *Ring in the New Year With Divination and Transformation*

Join us for an exciting talk on the Viking Divination tool known as *the Runes*. The Viking way was all about living life to its fullest and since Ancient times the Runes have been used as tools of guidance, divination, and manifestation. Their hidden powers will be revealed to you on this Magical night. High Priestess and Celtic Shaman Lorraine Henrich will share their story with you, and each person will also receive a runic message for the New Year. Come partake of this rare ancient Viking Ceremony that helps us to close the old year and invite joy and transformation in for 2014.

*A five course festive Nordic feast prepared by Deanna Trust will be presented in her famous Copper Grotto Tea Room. Teas, spritzers, and red champagne will be offered throughout the Sumbel Dinner.*

Innovative singer/performer Tabitha Mancini, noted for her ethereal sound and presentation, will entertain us with music that reveals a beauty that connects to the human condition. A multi-instrumentalist and lyrical poet, Tabitha released her guitar instrumental meditation album, *An Ambient Journey: The 8 Months of Enaya*, in September, 2013. Researching the Nordic tradition for this evening's event, she says, "As a creation myth enthusiast, recreating *Voluspa*, an epic Nordic poem, into song was an exciting technical challenge."
